25X1 6. [] JMM) Called Dave Abshire, Assistant Secretary of State for Congressional Relations, regarding the Case press release. Abshire said his office had learned of the release only today when they had made another one of their series of calls to the Senator offering to brief him in response to his letter to the Secretary of 8 October. Abshire said since receiving this letter he had repeatedly--at least seven times--offered to brief the Senator on a classified basis but for some reason the briefing had not come off. Abshire said the last occasion when he brought the matter up was New Years Eve, and Case's response at that time left the impression that Case had decided to drop the matter. Abshire feels that nothing more can be done at this stage.

25X1 7. [] JMM) James Lowenstein and Richard Moose, of the Senate Foreign Relations Committee staff, called to say they hoped to take off Wednesday, 27 January, for a survey trip to Greece and would like an Agency briefing preferably tomorrow afternoon, 22 January. I said I would be back in touch.

Minshall said they would like to pay a courtesy call on the Director thereafter, probably around 4:00 p.m., en route to the airport. I told Minshall I would check with the Director and be in touch with him in the morning.

25X1 9. [] RCR) In response to her call, provided application forms and brochures to Dean Wurdemann in the office of Senator John C. Stennis (D., Miss.).
